Term One 2023

A huge welcome to all of our new and existing members for Term One!

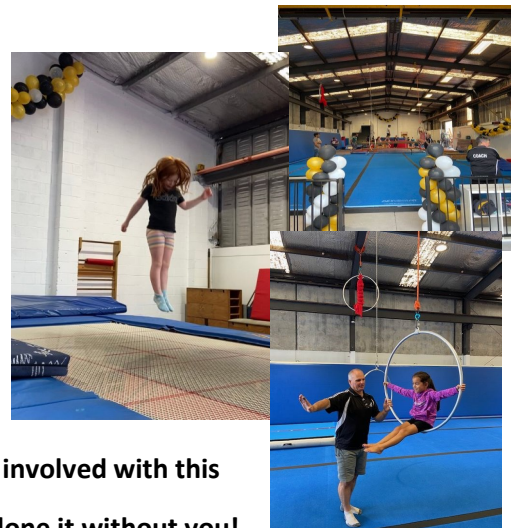

We are please to be back up and running in our new premises. Thank you for all of your patience while we settle in and find our way back to some sort of normality. It has been great to see our gymnasts happy in the new venue.

Term Two invoices will be sent the week commencing 27th March with payment due by the **14th April**. Your payment will confirm your gymnasts placement in their existing class. If you wish to make a change to your class time or are moving on to other activities, please let the club office know.

Open Day

Thank you to everyone who came to our open day.

A lot of hard work and long hours from our amazing volunteers were put into getting the gym safe and ready to operate in Term One.

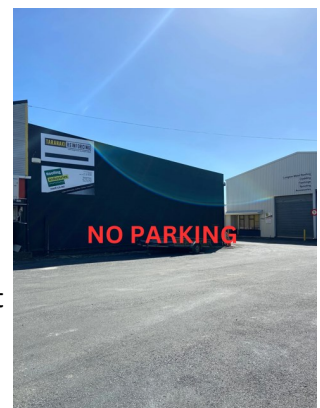

A huge thank you to everyone involved with this massive job, we couldn't have done it without you!

Parking

Gymnastica share a driveway with Roofing Industries and Taranaki Reinforcing. We kindly ask that between 3.30pm-5pm our families are to not park anywhere on the left hand side of the driveway or in front of the roller doors.

Our surrounding neighbours have large trucks & trailers that need access to the shared driveway. If you arrive when their big truck is here please do not block it in, please find a park outside of our blue office block on the right or park on the street.

For the safety of your gymnasts and please ensure you are actively supervising your children as they walk down the driveway.

Lost Property

If you think you have left your belongings behind, please contact the club office on 0273247544 or email gymnastica@xtra.co.nz

Term fees are the clubs main revenue. We do require prompt payment so we can cover our operating expenses.

As a general rule all existing members get priority into the next terms classes.

Invoices are sent prior to school holidays. Your payment by the due date confirms membership and allows us to plan our classes and volunteer coaches.
