Gymnast in the Spotlight

We love celebrating what our gymnasts get up to outside the gym! Congratulations to Pippa, who recently won the Year 7 Rock Climbing competition at the AIMS Games. Over four days of competition, she completed an impressive 28 climbs – nearly triple what she would usually do at Nationals!

Pippa's family shared that her tumbling training has been a huge help, building the strength, agility and flexibility that support her success on the climbing wall. Well done, Pippa – we're so proud of you!
